GLOBAL PRESENCE

OUR PURPOSE

Pacific Blue is dedicated to providing premier project services and execution solutions, consistently exceeding client expectations.

At the core of our identity are the fundamental values that shape our conduct and guide our operations. These principles serve not only as our ethical compass but also as the foundation for all our decisions, encapsulating the essence of every commitment made by Pacific Blue

SAFETY	: We uphold the highest safety standards to ensure that everyone returns home safely.
DRIVEN	: Our aspiration is to consistently outperform, delivering superior results with every project.
AGILE	: We foster a culture of responsiveness and adopt problem-solving.
TEAMWORK	: We believe in the power of collaboration, where exceptional teams achieve extraordinary outcomes.
ACCOUNTABILITY	: We stand firm in our commitments, ensuring deliverables are met as promised.
INTEGRITY	: We maintain a steadfast adherence to honesty, professionalism, and transparency in all dealings with our stakeholders.
FINANCIAL RESPONSIBILITY	: Our team is committed to cost-efficiency, ensuring that we provide the most economically viable solutions available.

VISION

Positioned as a premier EPC organization, Pacific Blue aspires to be widely recognized and sought-after for its technical prowess, innovative strategies, and delivery of top-tier services. Our strategic goal is to foster organizational growth in a sustainable manner while actively contributing to the economic and social development of the regions in which we operate.

MISSION

Pacific Blue aims to be a leading EPC organization, renowned for technical excellence and innovative strategies. Our mission centers on the development of a customer-centric, value-based, and cost-effective approach, maintaining the highest standards of honesty, integrity, and professionalism.

WHAT WE DO

PROJECT MANAGEMENT

- Jack Up Rig Construction
- Design Analysis and feasibility study
- Structural and Piping fabrication- Offshore & Onshore
- Process Plant Maintenance
- Civil Construction

OIL & GAS CONSTRUCTION & MAINTENANCE SERVICES

- Specialized in Offshore Jackets, Boat Landing Structures & Topsides Fabrication
- Erection and Loadout of Production Decks, Drill Decks, and Accommodation modules
- Subsea Pipelines
- Process skid and Pipe fabrication
- Piping and Structural- Design and detail drawings
- Electrical and instrumentation works

JACK UP RIG- NEW BUILD & REFURBISHMENT

- Contract and Technical Specifications
- Review Bids and yard selection
- Construction and Commissioning management
- Procurement and Operations support

**WHERE EVERY
PROJECT IS A
PROMISE FULFILLED.**

ELECTRICAL & INSTRUMENTATION CONSTRUCTION & MAINTENANCE WORKS

- E&I Construction & Commissioning
- HV & LV Cable Installation, Testing & Commissioning
- Loop Checking & Function Testing

SHUTDOWN & PLANT MAINTENANCE SERVICES

- Planning & execution of construction and commissioning
- Procurement Support
- Preventive, Planned Maintenance & Asset Management

SPECIALIST MANPOWER SECONDMENT

- Project Managers
- Project Engineers
- Commissioning Engineers
- Site Engineers
- QA/QC & Dimension Control Inspectors
- HSE Inspectors
- Document Controller/ Secretary
- Skilled Manpower services (All trades)

MAJOR ACCOMPLISHMENTS

OFFSHORE STRUCTURES FABRICATION

- Offshore Platform Jackets, Topsides, Boatlanding structures, Piles
- Tonnage: 25,000 MT+
- Client: L&T Hydrocarbon Engg., Sohar, Oman
- Subsea Piping Fabrication (Metrology & Non-Metrology Spools)
- Client: Qatar Shipyard, Ras Laffan, Qatar

JACK-UP RIG NEW BUILD- PROJECT MANAGEMENT

- Rigs: JUR Vivekanand 1, 2 & 3
- Client: Foresight Offshore Drilling, UK

JACK-UP RIG REFURBISHMENTS

- Rigs : JUR Foresight Driller 09, JUR Aryabhata 1
- Client : Foresight Offshore Drilling, UK

SHUTDOWN & PLANT MAINTENANCE

Clients : Strategic & Precious Metals Processing (SPMP) / Worley, Oman
Sohar Aluminium, Oman
Jindal Shadeed, Oman

CONSTRUCTION PROJECTS

Project : 126m Monumental Flag Pole
Client : Jindal Shadeed, Oman

ONSHORE & OFFSHORE SUPPORT- SKILLED MANPOWER

- Rig Refurbishment Support (Client: ADES, Seadrill)
- Ship Repair Works (Clients: Grandweld, Green Ocean Ship Repairs, Al Fattan Ship Industry)

PROCUREMENT & SUPPLY CHAIN

Major Clients : BOC, ADES, Lamprell, L&T, Sohar Aluminium, SPMP

OIL & GAS PROJECTS

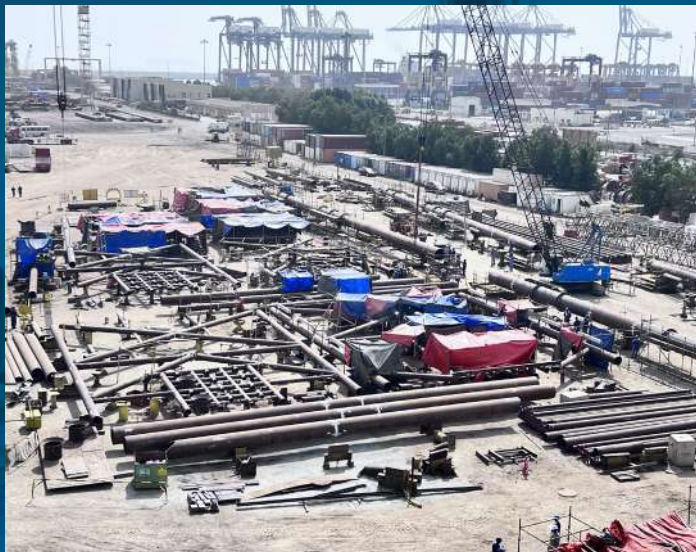

MARJAN INCREMENT PROGRAMME PACKAGE - 1 & 2

1 Time Platform Jacket & Riser, Electrical
Distribution Platform Jacket, Production
Platform Jacket & Boat landing Fabrication &
Erection. (10300 MT)

Owner : Saudi Aramco

Client : Larsen and Toubro

Date : May 2021 – Mar 2023

CRPO - 78

TJ-1 Topside, CLP Jacket, WSLP Topside,
Control Building Fabrication &
Erection. (2100 MT)

Owner : Saudi Aramco

Client : Larsen and Toubro

Date : April 2023

CRPO-88 ZULF 1300 / 1309 JACKET AND BOAT LANDING FABRICATION & ERECTION (1000 MT)

Owner : Saudi Aramco

Client : Larsen and Toubro

Date : July 2023

NOC GALLAF EPC 07 PACKAGE, RAS LAFFAN, QATAR.

Owner : North Oil Company (NOC)

Client : Nakilat - Keppel Offshore &
Marine Ltd (NKOM)

Date : February 2023

INDUSTRIALPROJECTS (MECHANICAL AND E&I)

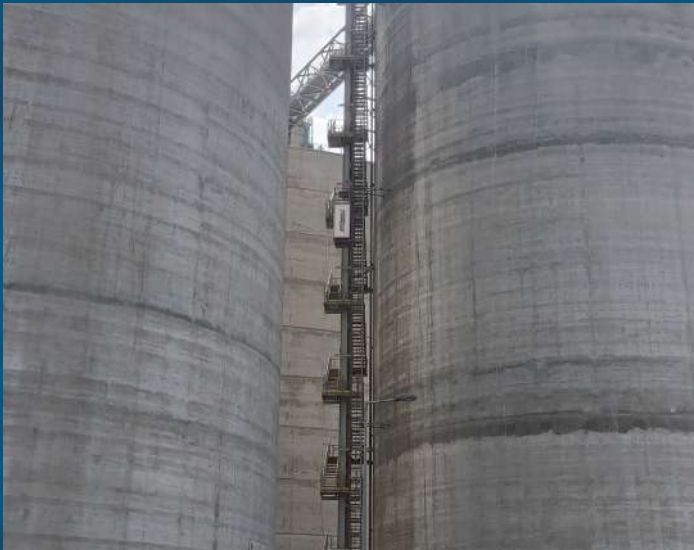

Design, Procurement Fabrication Supply, and Installation of Inlet & Discharge Chute, Twin Cyclone, and Associated Works.

Owner : SPMP - Strategic & Precious Metals Processing

Client : SPMP / Worley

Date : Mar 2022

64 METER INDUSTRIAL LIFT SUPPLY, INSTALLATION AND COMMISSIONING.

OEM : Alimak, Sweden

Client : Sohar Aluminum

Date : May 2023

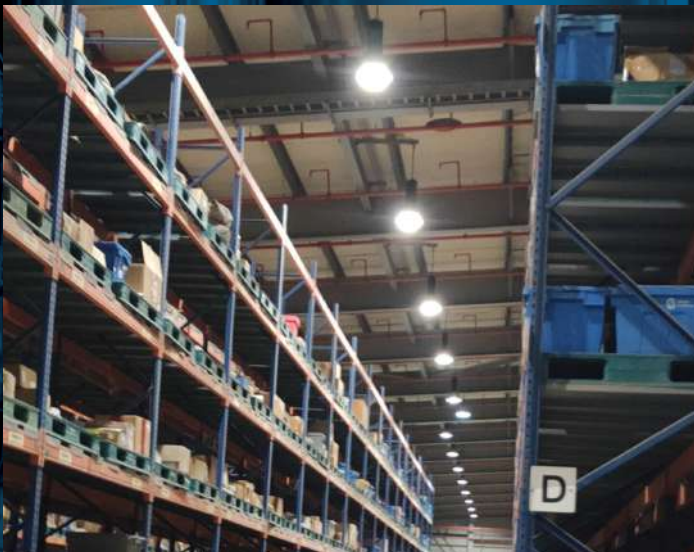

AUTOMATIC POWER FACTOR CONTROL PANEL (APFC) INSTALLATION & COMMISSIONING PROJECT

Owner : SPMP - Strategic & Precious Metals
Processing

Owner : Worley

Date : July 2022

POWER PLANT & WAREHOUSE LIGHTING SYSTEM UPGRADE AT SOHAR ALUMINIUM

Owner : Sohar Aluminium

OEM : Schuch Germany

Date : June 2023

RIG REFURBISHMENT PROJECTS

REFURBISHMENT OF JACK-UP RIGS :

» Structural Fabrication works onboard the Rig

- Hull Steel Renewal
- Spudcan Fabrication
- Drillfloor / Cantilever Support Structures

» Piping Fabrication & Erection

» E&I Repair Works

» Engineering Services

» Technical Staffing Support

- Project Management
- Construction Management
- QC Inspection Services

» Skilled Manpower Support (All Trades)

Rig Owners: ADES, SEADRILL, ARO, GMS

PROJECTS EXECUTED WITH QATAR SHIPYARD

PACIFIC BLUE QATAR PROJECT SUMMARY

Project Location : Qatar Shipyard, Ras Laffan, Qatar
 Project Period : 22.02.2023 - 14.01.2024
 Client : Qatar Shipyard Technology Solution, Subsea-7, North Oil Company
 Project Details : Fabrication of metrology and Non-metrology, spools, No of Spools-48Nos, Total ID-4972
 Fabrication of installation Aids & Sea fastening-150MT

FABRICATION OF INSTALLATION AIDS

ITEM	QTY		
Startup head (8", 10", 12", 18", 20")	10	Vertical Pig Launchers (8", 10", 12", 18", 20")	20
Laydown head (8", 10", 12", 18", 20")	10	Blow Down Caps	5
A&R head (8", 10", 12", 18", 20")	11	Spreader Bars	2
Flange Protectors (8", 10", 12", 18", 20")	20	Gantry Frame	3
		Cable Sectors	1

MONUMENTAL PROJECT

Pacificblue, the main contractor overseeing the monumental project in Muscat, Oman, is spearheading the construction of the tallest structure in the country for the first time. A towering Flagpole standing at an impressive height of 126 meters. Alongside this feat, the project integrates a beautifully designed park enveloping the flagpole, enhancing the overall aesthetic appeal of the surroundings. With a projected timeline of one year, the project is scheduled to be completed by October 1st, 2024, marking a significant milestone in Oman's architectural landscape.

AL KHUWAIR SQUARE PROJECT

Oman's Tallest Monumental Flag Pole
(126 Metre) project at Flag Pole Park Muscat.

Owner : Muscat Municipality

Client : Jindal Shaded

Date : July 2023

TRADING

STRATEGIC SOURCING EXCELLENCE: UNRIVALED EXPERTISE IN GLOBAL TRADE

Pacific Blue stands at the forefront of trading excellence, showcasing unmatched expertise in the procurement and logistics of spare parts, specifically tailored for the Oil and Gas industry. Our capabilities are distinguished by:

Dedicated Procurement Wing : We possess strong connections with leading industry giants such as NOV, Cameron, Letourneau, GE Energy/Converteam, Siemens/ABB, Forum, Hydril, Aker, and Woodward, ensuring rapid sourcing of high-quality spares.

Strategic Industry Partnerships: Our robust network extends to the supply of essential hose fittings, through collaborations with top manufacturers, enabling us to meet a broad spectrum of operational needs.

Comprehensive Lubricant Solutions: We maintain strong collaborations in the supply of premium grease and lubricants, emphasizing our commitment to providing comprehensive support to our clients' diverse requirements.

Pacific Blue's approach combines global reach with expert precision, positioning us as a leader in supporting the dynamic needs of the Oil and Gas sector.

PACIFIC BLUE WELDING ACADEMY

INDUSTRIAL TRAINING

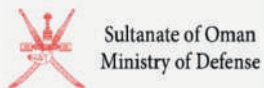

Embark on a path of professional advancement with Pacific Blue Welding Academy (PBWA) Courses. At PBWA, we recognize the evolving needs of the engineering and construction sectors. Our meticulously designed courses are tailored to provide you with the critical knowledge and skills required for success. Whether your interest lies in oil and gas construction, mechanical and piping works, or project management, our programs deliver a comprehensive blend of theoretical knowledge and practical training, setting you up for success in your chosen field.

TRADE TEST FACILITY

Pacific Blue Welding Academy (PBWA) offers personnel skill assessment tests under the supervision of recognized certifying authorities. Clients are afforded the opportunity to observe welder and fitter qualification tests online, ensuring transparency and confidence in the certification process. Additionally, PBWA specializes in the sourcing, training, and deployment of skilled manpower, including welders, fitters, and grinders, tailored to meet specific client requirements. This comprehensive service ensures that our clients receive highly qualified professionals ready to meet the demands of their projects.

OUR CLIENTS

ENGINEERING EXCELLENCE IN MARKET INNOVATION

Leveraging our extensive engineering expertise, we introduce cutting-edge products and systems to the Global market. With a foundation built on years of experience and robust partnerships, we seamlessly integrate sales, maintenance, servicing, and engineering works, delivering value-driven solutions tailored to the dynamic needs of our customers. Committed to deliver best-in-class project services and execution solutions for our clients. We deliver your core values are fundamental to who we are and what we do. They are the core principles that guide and direct our business. Acting as our compass, and informing our decision-making, they are inherent in every Pacific Blue commitment.
